Italian Promenade SC135

ITALIAN Promenade is a new adaptation of Italian Panoramic. The origin of this fresco is early 19th Cent. Bologna, where it still exists in its original form on the walls of a room within the university campus. In this version, the scenic is set in through and through greenery, as in a park with perspectives and large trees. The overall effect of tamed nature enveloping a room is what many of our clients were hoping for.
